SUBJECT : Proposed [redacted] Section V,  
and [redacted] 25X1A

REFERENCE : Your Memorandum, Same Subject, Dated 3 May 1956

1. We have reviewed your revisions of Proposed Regulation  
[redacted] Section V, and the proposed accompanying Field Regulation.

2. We have no legal objection to either regulation as it is  
proposed to be written. However, we suggest the following changes  
of an editorial nature:

(a) That a period be placed after the phrase "compensation differences", appearing in the second line of paragraph 1 of the Headquarters Regulation, and the remainder of that paragraph deleted as being neither directory nor necessary.

(b) That paragraph 5b. of the Headquarters Regulation be deleted as being unnecessary.

(c) That the word "organization", appearing in the first line of paragraph 3 of the Field Regulation, be changed to read "Organization".

(d) That paragraph 4a.(2) of the Field Regulation be made to read "Provisions are included in contracts made in the Field for the disposition of compensation differences at specified periods consistent with security and cover considerations.

(e) That paragraph 5b. of Field Regulation be deleted as being unnecessary.
